

Make a Difference Month Form

Make a Difference Month is about helping others through a celebration of service in our communities. Everyone can participate. This weekend was created by USA WEEKEND Magazine. Make a Difference Day is an annual event that takes place on the fourth weekend of each October. However, the California Masonic Family will choose events throughout the month of October 2005. This project has the support of the Grand Master and the Worthy Grand Matron. All Masonic Orders are joining forces to help in this effort. (Please contact your Area Adult for a list of your local Lodges and Chapters).

This can be a day where all the Masonic Orders in your area could join together to help the community. At the same time, our Masonic ties would become stronger as we are able to share this wonderful day together. For more information please visit <http://www.usaweekend.com/diffday/index.html>.
